

FJORD HOTELS

We are pleased to introduce FJORD HOTELS, a collection of four unique properties located in some of Iceland's most attractive regions, each offering a distinct experience while maintaining a high standard of comfort and service.

Hótel Vesturland in Borgarnes, just one hour from Reykjavík, is our largest property with 81 rooms and full facilities including a restaurant, bar, meeting hall, gym, and spa, making it ideal for leisure travellers, groups, and meetings. **Hótel Glymur** in Hvalfjörður offers a more intimate countryside experience with 25 rooms in a peaceful fjord setting. **Hótel Bifröst**, located in West Iceland along the Ring Road, features 51 spacious rooms, a restaurant, bar, outdoor hot tubs, and excellent access to some of the region's most popular natural attractions, making it a perfect stop for touring groups. **Eldey Airport Hotel** in Keflavík offers 51 rooms near the international airport and the Reykjanes Peninsula, making it a convenient choice for arrivals, departures, and short stays.

Our team consists of dedicated professionals with many years of experience in the hotel and restaurant industry, all united by a strong focus on quality service, flexibility, and seamless group handling. We understand the needs of tour operators and travel agencies and take pride in delivering reliable, well-organised stays that enhance the overall travel experience for your clients.

By partnering with FJORD HOTELS, you gain a trusted accommodation partner offering distinctive locations, attentive service, and the flexibility required for group travel. Our hotels are well suited for both leisure and touring groups, and we work closely with our partners to ensure smooth logistics, competitive group rates, and memorable guest experiences.

We would be pleased to provide detailed fact sheets, images, and tailored group rates, and to discuss how FJORD HOTELS can add value to your itineraries. We look forward to building a successful collaboration and welcoming your groups to our hotels.
